Dunrobin Disaster Assistance

You can help.

There are many different ways that you can help our neighbours in Dunrobin recover from the tornado that ripped through the community last week.

Consider:

- Donating clothing (adult and children clothing)
- Donating kitchen items (pots, pans, dishes, etc that you no longer use)
- Donating time (help sort through donations, help clean up the area)
- Providing fruit and veggie trays (they are used to feed the daycare children as well first responders and volunteers)
- Purchasing pre-packaged foods (no homemade food as there is a food inspector on-site)

Donating Money

In times of crisis, we often see an enormous outpouring of compassion and people willing to donate in various ways to help others. Unfortunately, there are also those who use this opportunity to take advantage of the kindness and generosity of others. They create fake fundraising efforts to steal money from those who need it most. For this reason, it is very important to pay close attention to anyone requesting monetary donations.

Donate using the [official GoFundMe](#) page.

Got Fundraising Skills?

We're looking for volunteers to help with fundraising for the rink covering project. [Email us](#) if you would like to help us raise some money for this awesome project.

Volunteer Appreciation!

4:00pm-6:00pm

Food provided!

Without our wonderful volunteers, we would not be able to provide this community with all the different activities and events that are put on throughout the year. Every September, the Corkery Community Associate puts on a little shin-dig to say THANK YOU to our friends and neighbours for giving a little of their time. Hope to see you there!

Speaking of volunteering...

We are looking for two people to help out with our **Communications** and **Media**. General areas include:

- Newsletter
- Facebook
- Twitter
- Marketing (general marketing of events and the CCA)
